

Fábio Salgado

public policy, culture and digital products

I work in three rooms at once: where decisions are made, where fado is sung, and where the code is written.

I split my time between Alfama, in Lisbon, and Ribeira Branca, in Torres Novas. I was born in Nazaré.

I build together with Claude — this included. Everything is listed below.

PROJECTS

primeiraplateia.pt

2016 - ongoing

founder and maker · product

Portugal's cultural agenda in one place: over 1500 events on show, across 77 venues in 33 municipalities — every district and autonomous region.

Filter by day, by free admission and by accessibility. Follow artists and venues. Weekly newsletter.

Born in 2016 as EmCena.pt, a Lisbon theatre listing. Renamed and relaunched in 2026, now nationwide.

I founded it, I run it, I built it.

onofriana.pt

2026 - ongoing

co-founder and producer · site

Fado: curation, production and programming.

Named after Maria Severa Onofriana. Four formats: Severa, Mariquinhas, Guitarradas and Vimioso.

Artistic curation by Marta Rosa.

I co-founded it and I produce it; the site is mine too.

franciscasalgado.golf

2026 - ongoing

site author

A golfer's path, season by season: WAGR and European rankings, partnerships, press and WITB.

martarosa.pt

2026 - ongoing

site author

The site of a fado singer who writes what she sings: calendar, discography, press kit and booking.

Voice, fado viola, and her own lyrics.

travertina.casa

2026 - ongoing · private

product author

A house run like a company: calendar and tasks, contacts and contracts, wallet and cash flow, credit, utilities, taxes, shopping and transport.

Construction module: chapters by phase, budget versus paid, expense log and per-room sheets.

It reaches outside through APIs: weather, wildfire risk, automations and alerts.

Private application, behind authentication — no public link. The screenshots show demo data.

fado.today

author

2026 – ongoing

Selling fado experiences in Lisbon: six houses, chosen by someone who lives in Alfama.

pospopular

product author

2026 – ongoing · private

Multi-tenant point of sale for events and fundraising: order slips, tables, consumption cards and kitchen tickets.

Private application, behind authentication — no public link.

salgado.zip

author

2026 – ongoing

Personal site and project archive: one data source and several outputs — page, PDFs, resume.json and a zip — with a battery of checks before every release.

Open source. Built together with Claude.

CAREER

Public Affairs Consultant

ATREVIA

2022 – ongoing

Regulation, institutional relations and communication for clients across sectors — from advice to delivery.

I follow the Portuguese legislative and regulatory process and design the response: whom to talk to, when, and with what.

I map who decides and who influences, working with teams across disciplines.

Political Adviser

Câmara Municipal de Lisboa

2018–2022

Adviser to the councillor for Culture, Housing, Human Rights and Social Rights.

Legislative analysis, reports, motions and proposals — from framing to final wording.

Alongside that, the office's communications and social media, and producing the events those areas ran.

Barman
Bartô

2015–2017

At Bartô, the bar and small venue inside Chapitô, in Lisbon. Behind the counter, and stage-hand work in the room itself.

Owner
Lisbon Souvenir

2010–2014

My own shop in Lisbon: buying, selling, the books and the counter.

INSTITUTIONAL MANDATES

Member
Assembleia de Freguesia de Santa Maria Maior, Lisboa

2017–2021

Municipal Assembly Deputy
Assembleia Municipal da Nazaré

2007–2015

CERTIFICATES

Moral Foundations of Politics
Yale University

2024

Lobbying and Advocacy
Centro Internacional de Formação da OIT (ITCILO)

2024

Using Public Policy for Social Change
University of Michigan

2024

Online courses, taken independently. Not degrees from these institutions.

LANGUAGES

Portuguese (native) · English (advanced, EF SET C2) · Spanish (intermediate) · French (intermediate) · Portuguese Sign Language (basic)

COLOPHON

Set in IBM Plex Serif and IBM Plex Mono. Paginated in HTML and printed to PDF.

Generated from salgado.zip, where this information is maintained and checked before every release. Written and built together with Claude — Claude Code, by Anthropic.
